

THE COACHING LEADER WORKSHOP

A hands-on leadership development workshop for managers who care.

WIN HEARTS AND CREATE OUTSIZED RESULTS

The Coaching Leader Workshop is laser-focused training that help managers who care become leaders who coach.

Learning how to create and coach a team versus merely managing a workgroup is how your organization will move to the next level.

1-DAY INTENSIVE WORKSHOP

Learn how to create a team and then coach that team to much better outcomes. Get the resources. Practice your skills. Be supported in your professional growth.

Module 1: Turn Your Default Workgroups Into Effective Teams

Module 2: Move from Manager to Leader

Module 3: Create a Thick-Trust Work Environment

Module 4: Coaching Leader Fundamentals

Module 5: Advanced Coaching Communication

Module 6: The Coach Approach to Challenging Team Members and Situations

BENEFITS

1. Develop “Executive Presence”

We call it “coach presence.” This is about earning and deepening the baseline respect as a leader that precedes all change and improvement.

2. Get Hands-On Coaching Practice

We make learning safe, fun, and practical. You will learn the skill basics then get multiple opportunities to practice and improve those skills.

3. Create an Implementation Playbook

Get a roadmap! Throughout the day you will be configuring your own Coaching Leader Playbook for use with your team when you return to the office.

AT A GLANCE WORKSHOP

- In-Person coaching leadership development workshops around Seattle or virtually
- Only 1 (intensive!) day
- Hands-on practice

WHAT YOU GET

- Small group coaching and learning
- Your own Coaching Leader Playbook (\$100 value)
- 1-year free access to our online learning and development portal (\$1,000 value)
